FOR IMMEDIATE RELEASE

#### **STEP INTO THE LIGHT: YEELLEN ART GALLERY**

Opening Reception

December 5<sup>th</sup>, 2008 at 6pm

MIAMI— Yeelen Art Gallery is dedicated to the promotion and expression of African culture through its Diaspora. We provide walls that display art designed by independent artists whose mission it is to show the place of the African Diaspora in our world.

Yeelen Art Gallery is a non-profit structure sponsored by individuals whom believe that giving Africa its real dimension should be one of the top priorities of the present day. Thus, by recognizing African culture we aim to focus on the African people. Africa is not only a continent that provides wealth for the rest of the world, but is a continent that consists of thousands of years of tradition and beauty.

We believe that with the healing of Africa, the world will be a better place. We are here to sow the seeds of change.
