#### **ARTIST BIOGRAPHY: JEROME SOIMAUD**

MIAMI—Born 1964 in Paris, France Jerome Soimaud is a self-taught artist whose media consists of oil painting, charcoal, and graphite. His career expands over 25 years.

Jerome Soimaud's profile is typically what Yeelen Art Gallery embodies. This independent artist has spent the last 25 years of his life struggling for his mission: celebrating the beauty of "black culture".

Throughout journeys in Africa, South America and now USA his work records moments that become eternal. His large works of oil on canvas or charcoal subtly attract us and immerse us in a world of poetry.

Jerome Soimaud currently lives and works in Miami, Florida. His work sets a stage of themes dedicated to the poetry and beauty of the unheard voices.
